Dear Parent/Guardian,

We wish to inform you that a member of our school community has tested positive for COVID-19.

We have sought the most up-to-date advice from the Public Health Agency (PHA) and would like to assure you that we are following their advice at every stage. We have closed the affected classroom area and have arranged an enhanced clean.

The pupils and staff that are affected (Primary 2 Bubble) have been notified and advised separately by the PHA.

I do appreciate the concerns of parents, pupils and wider school community and wish to reassure you that every precaution has been taken.

Ensuring the safety of pupils, staff and wider school community is our absolute priority and we will continue to monitor this situation carefully and keep you informed.

If you have any worries or concerns, please do not hesitate to contact the school.

As a school community, we pray that everyone stays safe and well.

Kind Regards,

S Mone

Principal
