11-02-21

Dear Parents,

Mid-Term Break

As stated in my previous letter, the school will be closed next week from Monday 15th to Friday 19th February. There will be no remote or supervised learning available on these dates. Remote and supervised learning will recommence on Monday 22nd February.

Re-opening of School

As it stands, the school will reopen for all children on Monday 8th March. There is speculation in the media about a change to this date or a phased return of some kind. The Minister is due to confirm how and when schools will reopen next week and I will notify you of any changes as and when necessary.

Remote Learning / Supervised Learning

As we approach the mid-term break, I would like to thank you for continuing to support your children and our teachers with carrying-out remote learning via our Seesaw platform throughout these difficult times. I would also like to thank our supervisors who have been supporting the supervised learning group within the school. I will place a survey on our school website over the next fortnight to get your feedback on how remote learning has worked for your child during this lockdown period (more details to follow). The school's updated Remote Learning Policy will also be uploaded to the school website for your perusal.

Virtual Charity Run – Eglish St Patrick's Day 10K for Marie Curie

We will be supporting a community charity run taking place on St Patrick's Day this year. Families and individuals who wish to enter will be able to run or walk 1k, 5k or 10k virtually before collecting their medals. There will be a small entry fee and all proceeds will go to the Marie Curie charity (more details to follow).

I would like to take this opportunity to wish everyone a safe break over mid-term. We will return to our remote and supervised learning on Monday 22nd February.

Yours sincerely,

S Mone

Principal
